
Information Security

- "Free" Content

joas antonio

Details

I know it's hard to find "free" content for studies, especially for those just starting out, so I made a list of free Security-only content

<https://www.linkedin.com/in/joas-antonio-dos-santos>

courses

<https://www.udemy.com/> (Udemy there is a lot of free course)

Browse content

Biggest tip to search for courses, content and so on are:

- 1) Telegram Groups
- 2) WhatsApp groups
- 3) Facebook groups
- 4) Using Dorks Of google hacking
- 5) Keep an eye on LinkedIn
- 6) Take advantage of opportunities that life brings you and so on.

*If I forgot a platform, let me know!!!!
